## THE ETHOS OF THE MANNA SOCIETY

Our vision is the creation of a just society that respects the dignity of every individual.

The Manna Day Centre is a place of unconditional acceptance. Our task, as we see it, is not to judge but to love.

We aim to respect the dignity and worth of each person with whom we come in contact. Each and every one has an intrinsic value that deserves to be respected. No one is dispensable.

Our task is to feed and care for those homeless and ex-homeless but still poor, people who seek our help; but we cannot be content with this. We must also seek to challenge the structures of society that lead to homelessness and poverty.
